Monthly Meeting Every Second Saturday
2:00 PM at the 5 & Diner,
12286 E. Colonial Drive at 408
Free Lunch for all attendees

Secretary's Report

The Central VW Club met on the 8th of August at the Five and Diner in Orlando. Those in attendance were, Debbie and Rich Van Treuren, Bill and Pattie Neary and John and Ann Marie Haywood. Where everyone else was is anybody's guess! Debbie filled in for Rollie who was frolicking in distant lands.

Convention Biz

Rollie and Debbie went up to Daytona to the Plaza to sign the contract for our convention space. That being done, the rest of the planning should fall into place. Like the banquet, show, rallye and any other activities we deem should be included. Convention is set for June 10-13, 2010. Rates are \$109 per night plus tax. This includes parking. Many rooms have kitchenettes. Ask when you book your space. Balcony rooms on the ocean may be a little more.

Other Biz

September 12th is Bugs in the Hangar at New Smyrna Beach. Show lasts all day, but we do not have to be there all day. I have cleared the way for us to have a tent set up with Jennifer. If you want to help with that and meet for breakfast at 8:30 at the Dome and we go north from there with cars and tent, That will be great. Dome address is 4502 S. US 1 (Ridgewood) Edgewater, FL 32141. Local phone is 386-689-2709. From S. Orlando, take 50 to I-95. Get off at **231, which is Oak Hill/Scottsmoor**. Drive east 1 mile to US 1, take a left and 10 miles up the road is our driveway, across from Williams St. Make a U Turn in the median and make an immediate right into the drive. We will gather there until 8:45 and assume you will be there if you are coming. We'll either go south to The Country Kitchen or north to one of the other restaurants. For those who do not want to make it an all day event, The Hangars are located at the north side of the New Smyrna Airport. If you come from Orlando, I-4 may be easier for you. I-4 east to New Smyrna Beach/Deland Exit #118. Drive East to New Smyrna Beach on SR 44. Pass I-95. When you get close to US 1, There will be a sign: Business 44. You will turn left after K-Mart to get to Old 44. Continue East to US 1 and Make a left onto the highway. Go north past the airport to South Street. Turn left again and follow the road to the hangars. There is a static display DC-3 so you can't miss it. We'll have a tent set up. Bring a bag of pet food as a donation to the Humane Society. After the Show, We'll go as a Club to the Greek Restaurant in Edgewater. The Athens is located across from Regions Bank on US 1. **Please let me know if you will be coming so Eleni can have the table set for us. Very important. Phone 386.689.2709 or email me at Deborah_v@earthlink.net** Thanks.

We have secured our Show N Shine spot for next year and that will be March 21st, 2010, at Central Winds Park. We opted for a slightly later date due to the show being held in Lakeland. It diluted our numbers so badly last time that we barely covered expenses.

October is the Volkstoberfest in Melbourne on the 11th. November will be Bug Jam. That is second Sunday in November. Meeting at The Fairgrounds same time of 2pm. December will be the Cookie Exchange. Maybe Scooter will do a tech session for us...?

Minutes by Debbie Van Treuren, Secretary

V-DUBBER

NEWSLETTER OF THE CENTRAL FLORIDA VW CLUB

NEW GTI DEBUTS

Volkswagen of America is making some special appearances with their all-new 2010 GTI, the sixth generation of the original pocket rocket, this summer at selected enthusiast events. Volkswagen will also showcase other special models at the events. The latest addition to the legendary GTI family has been making selected stops at Volkswagen enthusiast events around the country, everywhere from Ocean City, Maryland, to Tacoma, Washington. The car that created the hot hatch category, the GTI, has been an object of affection, and obsession, for generations of Volkswagen enthusiasts. That's why Volkswagen is bringing this special car to the people months before its highly anticipated debut in showrooms this fall.

The all-new GTI has been joined by a Volkswagen enthusiast's wish list of rare, and rarely-seen, cars including the Gold Coast CC, Eco CC, SEMA Tiguan, and TDI Cup Street Edition. The all-new 2010 Golf, named World Car of the Year, will also be making the trip. And because these events celebrate high performance German engineering, we're bringing the essence of a track-tuned, race-ready Volkswagen: The Jetta TDI Cup Race Car. With almost 250 lb/ft of torque, DSG gearbox, racing suspension, and Pirelli slick tires, the Jetta TDI Cup car was made for the street, but built for the track. Each event featured exclusive Volkswagen Owner Gifts, and a staff of highly trained Volkswagen experts on-site to answer questions about everything from the technical innovations in our latest models, to the best way to maintain our certified classics. Visit facebook.com/vw for more information. Last month on the 22nd and 23rd the cars came to Midwest Treffen in Des Plaines, Illinois. On Sept 26-27 the H2O International is coming to Ocean City, Maryland. The new GTI will be joined by 9,000 Volkswagen fanatics.
