Convention 2010

The 55th Annual VWCA Bash at the Beach promises to be one with some surprises. Besides the beautiful unspoiled beaches of Daytona Beach, the proximity of other attractions and our great sunshine, this will be a good opportunity for a nice family vacation. Regular business meetings aside, we also have plans for a car show and rallye to the local dealership and of course the Saturday Night Banquet.

Come on down and enjoy some fine Southern Hospitality!
